CAPABILITIES:

Silver Wolf Enterprises is a Native American-owned firm located in central Montana. We are graduates of the SBA's 8(a) program. John Gilbert is the sole proprietor of the business and because of our Native American status Silver Wolf Enterprises is afforded more opportunities within the programs. We deal with all government entities and programs. Our company may be able to help you fulfill some of your special program requirements. USDA Agricultural Marketing Service is our largest volume customer. We are now distributors for residential & Commercial **American Standard** water heaters. We also are distributors for: **Bunn-o-matic** (Coffee brewers), **Eureka/Sanitaire** (vacuums / commercial polishers), **Oasis** (water fountains), **American Standard** (water heaters), **Halsey Taylor** (Water fountains), **Frigidaire** (Appliances), **Whirlpool** (Appliances), **Manitowoc** (Ice Machines), **Scotsman** (Ice Machines), **Durastill** (Water distillers), **WaterWise** (Water distillers), **Stoelting** (soft serve Ice cream). We are constantly becoming a dealer for new products so check us out. We sell USA made products striving to give our customers quality products at the best price. Most of our products are available on the GSA Advantage (www.gsaadvantage.gov). Silver Wolf Enterprises is interested in doing business with you. Credit references are available at your request. Please give us a call and check out our website! **NOTE: WE ARE HAPPY TO PROVIDE QUOTES TO THE PRIVATE SECTOR ALSO.** www.silverwolfenterprises.com
